TTC Long Weekend

Mountain Training TTC with Robert Botterill Shihan

To support Aikido Victoria's contribution to helping fund our 60th Anniversary Winter School in 2026, we are holding the first Mountain Training since 2018!

Only held every few years, Mountain Training is a very special event for students to focus on training while living with other students. Attending this long weekend will count as a TTC for the purposes of grading days.

Training is held outdoors, including at sunrise and sunset. To breathe in bitingly crisp, cold mountain air from the one of the highest points in our state, and use the energy of your surroundings to focus your mind is indescribable.
