Special Day of Training

Focus on Hara and Ukemi

Fumiko Noguchi Sensei (yondan) who is well known to many of us in Aikido Victoria will be teaching a Special afternoon class at CHD.

Fumiko sensei will focus the class on hara, connection, and ukemi (receiving) reflecting her understanding from having gone back and forth between Australia and Japan (Hombu and local dojos) over the years.

She will be using an experimental learning circle format where she and other students would co-learn and explore together the possibilities of the body.
